

The Cuckoo's Nest

by [Steve Kaufman](#)

Hi friends. Here's another great fiddle tune in the key of D that works out great on the old seven-banger. My 7th string is tuned to a low B and it's a .66 gauge in case you're curious.

You shouldn't have too much trouble playing through this tune. There are a few places to watch, particularly where the hammer-ons occur. Just acknowledge the picking direction arrows as they are marked and you ought to fly through this one.

Let me know how "The Cuckoo's Nest" treats you.

Special thanks to those of you who came out to the Kamps this year. I hope we gave you something new to play and think about over the next year! I'll see you down the road somewhere.

Bye for now,
Steve Kaufman
